GAMES YESTERDAY.

Cincinnati, May 7.—In the ninth inning to-day the Cincinnati team struck a vein of good luck and closed the game winners. It was the most exciting contest of the season, though containing a great many errors. There were no brilliant plays and neither side can be said to have distinguished itself, yet the game as a whole was well played. The attendance was 4,100. The score:

GAMES TO-DAY.

Clarkson will join the New-York team at Chicago, and dispatches from the West indicate that Bannon may also be sent for.

The Board of Aldermen of Brooklyn on Monday night voted against a proposition to open the parade ground below Prospect Park for baseball-playing and other sports.

Telegrams from the West say that there may be a checkup in the team if the players do not do better work. The batting order was changed yesterday. Fuller going from first to last place.

BROOKLYN WINS FOR THE EAST.

**THE LEAGUE LEADERS BEATEN IN A FIVE
INNING GAME.**

Pittsburg, May 7.—Several showers made the grounds so wet that the game had to be called after Brooklyn had played their sixth inning. The visitors had the game well won, having found Hart and Menefee rather easy, but had not much of a chance at Kilian. Pittsburg had just begun to solve Ladd's delivery when the game was called. La Chance's hitting was the feature. Attendance, 2,900. The score:

BIG ENTRIES FOR BERGEN POINT GAMES.

Entries for the New-Jersey Athletic Club's carnival of sports at Bergen Point on Decoration Day are rolling up in an unprecedented way. In addition to the New-York, Long Island and New-Jersey athletes who will compete, almost every large college in the East will be represented, with possibly several of the University of California's team. The relay race and the one-mile open running race will be the chief attractions, although every contest on the programme is interesting.

In the relay race the University of Pennsylvania is competing on winning the rubber from Harvard. For this will be the third meet, each having won before.

Up at Yale Murphy is sleeping in trapeze fashion, while his partner, a sister from the Van Cortlandt Tennis Club of Kingsbridge, has entered the new club at Trenton this year. The entries chosen for the year are as follows: Robert Sage, president; Harvey L. Mead, vice-president; Miles Adel M. Walker, secretary; Miss Lydia A. Abbott; Miss S. Weber; Miss Elizabeth A. Allen; Miss Alice S. Weber; Miss Executive Committee.

HARVARD LOSES TO BROWN.

WRETCHED PLATING BY THE CAMBRIDGE NINE—THE SCORE IS 10-8.

Cambridge, Mass., May 7 (Special)—Harvard was defeated here by Brown to-day, the score being 13 to 8. It was wretchedly played, especially on Harvard's part, after the fifth inning. Up to the sixth Harvard led, and was playing the better game. There a costly error by Whitemore, followed by an execrable wild throw on his part, so confused the whole nine, Highlands and all, that no more decent playing was done by the Harvard nine. Brown made three runs in each of the sixth, seventh and eighth innings. Harvard had a total of fourteen errors. Miffs of top class were made. Still all was largely accounted for by the fact that the subversive and unscrupulous base-hits. Dean played third, an entirely new position for him. This was because Winslow broke his finger June 1. La Chance, Wren and Tompkins played but four times. Winslow, a Mississ., a subsoil catcher, took his place. Dean made four errors and Morton two. The star play of the day was by Hand, in Harvard's left field, a running catch of a long fly. June 21, first trial race for international challenge cup in connection with Marine Corps. June 22, second trial race for international challenge cup in connection with Marine Corps. June 23, third trial race for international challenge cup July 6, final race for international challenge cup.

DOUGLASTON YACHT CLUB'S MEETING.

The annual spring meeting of the Douglaston Yacht Club was held last evening at the Arena, in Thirty-first-street near Broadway. F. E. Barnes presided in the absence of the Commodore, and the meeting was largely attended. The Yacht Club adopted the rules and regulations laid down by the New-York Yacht Racing Union. It was announced that Commodore C. A. Gold had given two cups, a \$50 gold cup, ex-commanders Newman a cup and Mr. Barnard two other prizes. A challenge was read from C. F. Day, editor of the yacht racing paper, offering to match a 12-foot dingy against any boat in the club. Mr. Barnes accepted. The annual regatta of the club will be held June 25, and the Committee of Arrangements was authorized to make arrangements for it. The club opening will take place May 25.

HARVARD FACULTY VOTES FOR FOOTBALL.

Cambridge, Mass., May 7 (Special)—At a meeting this afternoon the Harvard faculty finally passed upon the fate of football. There was a full attendance among those present, being President Eliot, who was a motion put to prohibit all college students from playing inter-collegiate football. After protracted discussion the faculty voted by a comfortable majority against the motion. This is the last that will be heard on the football question for a year at least. Harvard will have a team in the field and will probably play Yale as usual.

47TH REGIMENT MEN AT CREEDMOOR.

A detachment of the 47th Regiment, N. G. S. N. Y., composed of Companies F, G and I, under command of Major Eddy, practised at Creedmoor, I. O. I., yesterday. The weather was fair, with a light "6 to 8 o'clock" wind blowing. Brigadier-General B. M. Whitlock, General Inspector of Rifle Practice of the State, superintended the shooting.
